

ideacentre A340

STYLISH DESIGN, SLICK PERFORMANCE

With its sleek, modern stand and thin bezel display, the Lenovo™ IdeaCentre™ A340 is sure to catch your eye. Fire it up and marvel at the super fast, smooth performance, where up to 8th Generation Intel® Core™ i5 processing is backed by the latest graphics and memory technology. And with the vast storage space, you'll see why this space-saving all-in-one makes the perfect family PC.

WHY YOU SHOULD BUY LENOVO™ IDEACENTRE™ A340

Designed for the modern home

Elegant yet simple, the stand and base of the IdeaCentre A340 is designed to impress and save you space. Whether it's used for work, entertainment, or video-chats with the family, this very stylish PC will look great in any room.

Almost borderless display

Thanks to an almost borderless design, the viewing experience on the AIO A340 has been totally enhanced. At just 9.5 mm on the slimmest side, the thin bezel delivers an impressive 90% screen-to-body ratio, enabling you to enjoy everything in crisp, clear, and vibrant detail.

Lenovo™

Makes light work of heavy workloads

With up to Intel® Core™ i5 processor and discrete graphics, A340 runs seamlessly smooth even with heavy workloads. With up to 1 TB of disk space, you can store more than enough media files. In addition, as it's a solid-state rather than a hard disk drive, you'll find that everything's faster, from booting up to running apps and transferring files.

Full-HD with touchscreen option

With a stunning Full-HD display and wide-angle viewing, you can see every detail with amazing color from almost any angle—great for sharing videos or photos with family and friends. Moreover, with the touchscreen option, you can use your A340 more intuitively by clicking or dragging files on screen.

LENOVO SERVICES

Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
