Versatile design

Conveniently set up your monitor to the left, right or behind your laptop; the USB-C port on each side allow for versatility.

Flex to your comfort

Get comfortable anywhere you go, with continuous tilt angles of 10 to 90 degrees — enough flexibility to keep up with your work.

Protect your monitor when you're on-the-go

This monitor comes with a protective sleeve.

Enhanced productivity

Productive at every level

Easy Arrange allows you to easily tile multiple applications across one or more screens with pre-set window partitions of up to four windows, giving you improved multitasking abilities.

Seamless transitions

The Easy Arrange Memory feature remembers where you left off, so applications will go back to where you left them, even after you've unplugged..

The key to convenience

Shortcut keys can save you even more time, letting you easily configure your display management settings so you can get to work faster.

More ways to manage

Asset management reports allow IT managers to quickly capture and track monitor information as well as configure multiple monitors at once through a single setup.
